PARENT OPINION SURVEY

This is to advise parents that the Department of Education surveys parents annually. The Parent Opinion Survey seeks parent opinion on measures of school climate, student engagement and effective teaching practice known to influence student engagement and student outcomes. The survey is aligned with the Framework for Improving Student Outcomes and the Attitudes to School Survey. Schools use the survey results to help inform and direct future school planning and improvement strategies.

The 2018 parent Opinion Survey will run from 23 July to 19 August 2018.

The 2018 survey will be conducted online by ORIMA Research Pty Ltd and only takes 15 minutes to complete. The survey can be accessed via desktop computer, laptop, tablet or mobile at any convenient time within the fieldwork period from Monday 23 July to 19 August 2018

CANTEEN UPDATE

Thank you to those families who participated in the canteen survey earlier in the year. The results were shared with Halima to give an insight into the needs of the school community. The data collected suggested that families want:

- A 5 day a week canteen
- Variety of food choices
- Communication/ Advertising
- On-line ordering system
- Healthy food options

Halima presented her proposal to School Council on the 26th of April discussing her plans to shift to a 5 day a week canteen, providing a wider variety of food. Halima is currently working with TLITU, which is a group of women from African backgrounds to develop employment and business skills to fulfil the proposed plan. The schedule for changes to our current canteen is 4th term. Any feedback is welcomed; please send to the Kensington Primary email account with **canteen** in the subject box.
